**RESPONSE TO COMMUNICATION IN CASES FOR WHICH NO OTHER  
FORM IS APPLICABLE**

Dear Sir or Madam:

In response to the Communication in Cases for Which No Other Form is Applicable issued by the International Bureau on 23 February 2007, Applicant submits the following.

Applicant's review of the as-filed Request form, which was filed with the US/RO on 20 January 2004, and as it relates to Examiner's contention that there are inconsistencies with regard to the filing date of the earlier application and the application number of the earlier application, Applicant submits the following.

Applicant acknowledges that there was, in fact, an error made in the recitation of the second priority application number on the as-filed Request form. Applicant therefore requests a correction of the priority application number to recite Application No. 60/475,423, as the correct priority application number for the above-referenced

International Application. Applicant further requests that a copy of the priority document be transmitted to the designated Offices concerned for their consideration.

Further, Applicant contends that with the correction of the second priority application number, no correction of the filing date is therefore necessary since the corrected application number will now reflect that the priority date for the application is, in fact, 3 June 2003.

Therefore, Applicant respectfully request that the second priority claim of the present application be corrected to reflect U.S. provisional application No. 60/475,423, filed 3 June 2003.

No fee is believed due, however, the Commissioner is hereby authorized to charge any additional fees which may be required, or credit any overpayment to Deposit Account No. 14 0629.

Respectfully submitted,
